Declaration of commitment to the principles of
The European Charter for Researchers and
The Code of Conduct for the Recruitment of Researchers

Polish Mother’s Memorial Hospital – Research Institute, represented by President Professor Maciej Banach, welcomes and fully supports the Recommendation of the European Commission on The European Charter for Researchers and The Code of Conduct for the Recruitment of Researchers (hereinafter referred to as the Charter and Code).

By endorsing the Charter and Code, the PMMH-RI recognizes the value of their principles and voluntarily commits to apply them.

The principles of the Charter and Code are in line with PMMH-RI policy, aiming to increase the Institute’s attractiveness to researchers by offering them a favourable working environment, enhancing the quality of research and innovation and boosting international mobility.

By implementing the Carter and Code, PMMH-RI intends to foster international collaboration and contribute to the development of an open and attractive European labour market for researchers.
