**Declaration of Commitment to the Principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers**

Tallinn University of Technology declares its commitment to the principles laid down in the Recommendation of the European Commission of 11 March 2005 of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

By endorsing the Principles of the Charter and the Code, Tallinn University of Technology expresses its intention to implement these principles through the Human Resources Strategy for Researchers, and thus to contribute to the attractiveness of the European Research Area.

As an Estonian legal person in public law, we will support the development of the legislative and statutory framework for the implementation of the Charter and the Code. We will also commit ourselves to promoting the Recommendation's principles among our stakeholders.
