## **Declaration of commitment to the Recommendation of the European Commission on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers**

The National Agricultural Research and Innovation Center (NARIC) represented by Dr. Barnabás Jenés General Director

Welcomes and fully supports the Recommendation of the European Commission on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (hereinafter referred to as: the Charter & Code).

By endorsing the Charter & Code, the National Agricultural Research and Innovation Center recognises the value of its principles and voluntarily commits itself to applying them.

This endorsement by the National Agricultural Research and Innovation Center is fully in line with its policy aiming at making a researcher's career more attractive and at enhancing the quality of research and innovation. The signature of the Charter & Code is also a further commitment to foster international collaboration and the various forms of mobility by researchers.

By implementing the Charter & Code principles, the National Agricultural Research and Innovation Center intends to contribute to the realisation of an open and attractive European labour market for researchers.
