11th November, 2014.

Dear Chairman,

Re: Declaration of Commitment to the principles of the European Commission's Recommendation "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"

Limerick Institute of Technology (LIT) welcomes the initiative of the European Commission reflected in the Commission's Recommendation of 11th March 2005 "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers".

LIT hereby declares its commitment to the principles laid down in the Recommendation. By signing up to the principles of the recommendation, LIT confirms its intention to continue to engage in the transnational effort to improve the conditions for researchers throughout Europe, promote elements that make research an attractive career, and work to enhance the quality of research and innovation by facilitation of international collaboration and transnational, interdisciplinary and intersectoral mobility of researchers.

Yours sincerely,

Dr. María Hinfelaar,
President,
Limerick Institute of Technology.
