To the  
European Commission

Vienna, July 2010

**Commitment of Ludwig Boltzmann Gesellschaft to the  
European Charter for Researchers and the Code of Conduct for the Recruitment of  
Researchers**

The Ludwig Boltzmann Gesellschaft with its 100% subsidiary Ludwig Boltzmann Gesellschaft GmbH welcomes the initiative of the European Commission and the recommendations given in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

The Ludwig Boltzmann Gesellschaft is a non-university research organisation for setting up and operating Ludwig Boltzmann Institutes in the disciplines of medicine, humanities, social and cultural sciences. With the interdisciplinary research on a high level in cooperation with well selected partner organizations the Ludwig Boltzmann Institutes are able to reach an international visibility and to create attractive development opportunities for the next generation of researchers from all over the world.

In this regard the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers are basic rules for the Ludwig Boltzmann Gesellschaft to support the work of researchers and to maintain the high quality of research.
