

Declaration of commitment by ASCIL BIOPHARM (ASCIL PROYECTOS S.L.) to the principles of “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”.

Viladecans, September 08th 2017

Ascil Biopharm commits to support the initiative from the European Commission recommendations and endorse the 40 principles of “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”, and notify you about its commitments to get involved into the process of implementing a Human Resources Strategy for Researchers (HRS4R) in our institution.

Ascil Biopharm has adopted in its internal rules and applied as a daily way of working the items depicted in the Code of Conduct mentioned above. In addition, all the researchers at Ascil Biopharm are instructed to observe the principles mentioned in the Charter for researchers.

By adhering to this recommendation, Ascil Biopharm wants to contribute to the career development of the European researcher’s community guided by the Charter and the Code of Conduct.
