November 15th 2017

Subject: University of Luxembourg adheres to the Charter and Code for Research and the Code of Conduct for the Recruitment of Researchers.

To the EURAXXES Rights Team,

With this letter, we wish to confirm the University of Luxembourg's commitment to endorse and uphold the Charter for Researchers and the Code of Conduct for the recruitment of Researchers.

Several aspects of the Charter and Code have already been implemented and have become part of our research culture. Nevertheless, the adoption of the Charter and Code will provide additional guidelines to prioritize and foster more initiatives.

With the recognition of the principles of the Charter and Code in the University's recruitment procedures, the University hopes to contribute to the European Union's innovative strengths, to be a competitive knowledge economy, as well as to the career development and international mobility of researchers.

We are confident that this European Charter will play a key role in achieving these objectives.

Sincerely,

Ludwig Neyses
Vice-President for Research, acting President
