

SLU welcomes the initiative of the European Commission reflected in the Commission's Recommendations of 11 March 2005 "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers".

We are happy to announce that most of the issues included are already implemented at SLU, however, SLU hereby expresses its interest for the principles laid down in the Recommendation and our wish to continue our work in its spirit.

Lisa Sennerby Forsse
